

Mentor Training Curriculum

Through self-preparation with videos, short quizzes and articles (0.5 hours before each live session) mentors will gain theoretical knowledge on technical and training facilitation and mentoring skills.

In six 60-minute online live sessions with experts they will get practical guidelines on how to use these skills in mentoring.

Technical training	How to work with online training platforms - Moodle and VEDAMO
Training facilitation and mentoring skills:	
Effective Training Methods	<ul style="list-style-type: none"> Blended Online Learning Collaborative Learning Inducing Engagement Problem-Based Learning Field Trips; Guest Mentors; Case Studies Giving and Receiving Feedback
Course and Live Session Planning	<ul style="list-style-type: none"> Planning a Live Session Planning the Time-Keeping Planning Activities for Different Learning Styles
Group Dynamics	<ul style="list-style-type: none"> Group Development Positive Group Atmosphere
Business Course curriculum	How to work with MOBI curriculum <ul style="list-style-type: none"> • objectives, topics and content • the role of the mentor

* There is an extra (optional) set of videos and additional resources for self-study about Course design (Defining Training Goals; Conducting Needs Analysis; Planning a Course Outline).
